'BAKIT KAILANGANG GAWING DEMONYO ANG CHINA?'

Sinabi ni Davao City 1st District Rep. Paolo “Pulong” Duterte na hindi dapat hilingin ni Defense Secretary Gilberto Teodoro Jr. ang pagbibitiw ng mga opisyal na itinuturing na pumanig sa China, dahil ang kanilang mandato ay nagmumula sa taumbayan.

Giit ni Duterte, kung may paglabag sa batas ang isang opisyal, nararapat itong idaan sa tamang legal na proseso sa halip na manawagan ng pagbibitiw.

"At bakit kailangang gawing demonyo ang China? Hindi lang naman China ang bansang may inaangking bahagi ng West Philippine Sea," saad ni Duterte.

"Alam mo, Gibo, ang trabaho ng Defense Secretary ay hindi ang magbigay ng loyalty exam sa mga halal na opisyal," dagdag pa niya.

Ayon kay Duterte, hindi dapat "i-demonize" ang China at hindi dapat sukatin ang pagiging makabayan batay sa mga bansag o posisyon sa usapin ng West Philippine Sea.

PULONG DUTERTE HITS TEODORO OVER RESIGNATION REMARKS... See more

Murag si kinsa kung makasulti si Defense Secretary Gibo Teodoro nga ang mga elected officials nga lahi ug baruganan sa West Philippine Sea kinahanglan daw mang-resign.

Hoy, Gibo, hinay-hinay lang. Ang mga elected officials wala nimo gipili. Ang mga Pilipino ang nagbutang nila sa pwesto. Kung naa kay ebidensya nga traydor sila sa nasud, then file the appropriate case ug ipakita ang ebidensya. Ayaw nang sigeg pa-resign-resign kay murag ikaw ang tag-iya sa gobyerno.

Kataw-anan pud nga ang usa pa gyud nga adunay dual citizenship ang murag pinakauna mangayo ug loyalty test sa uban. Bar topnotcher man unta, pero ambot lang kung katuohan ba.

Ang pagka-Pilipino dili masukod sa kung kinsa ang pinakasaba sa TV o kung kinsa ang pinakauna mang-brand ug "pro-China" sa dili niya kauyon. Patriotism is not measured by political labels.

Ang loyalty sa nasud ginapakita sa serbisyo, dili sa drama. Unsaon na lang nato ang atong mga OFWs nga nagtrabaho sa China? Paulion nimo silang tanan?

Ug ngano kinahanglan man gyud i-demonize ang China? China is not the only country nga adunay claims sa West Philippine Sea.

BINATIKOS NG AMERIKA

Tinawag na illegitimate organization ng US government ang International Criminal Court (ICC).

Ayon kay US Secretary of State Marco Rubio, madalas pa raw nitong inuusig ang mga bansang hindi naman kasapi ng nasabing tribunal.

Hindi miyembro ng ICC ang Amerika. Matatandaan din na naglunsad ng kampanya ang Trump administration para buwagin ito.

Isa sa mga nakakulong ngayon sa ICC si dating Pangulong Rodrigo Duterte, na nahaharap sa kasong crimes against humanity kaugnay ng war on drugs.

Barado na ang drainage, tinabunan na eh

ABS-CBN News

1d •

Tuluyan nang natabunan ang drainage kung saan nahulog ang isang PWD noong July 26. Ayon sa punong barangay ng bgy. 73, Pasay city, ipinatawag sila ng LGU kabilang na ang contractor ng nasabing drainage at kinagabihan ay tuluyan na itong tinakpan at inayos.

Ayon pa sa impormasyon mula sa barangay 73 ay pinuntahan mismo ng mga tauhan ng contractor ang nasabing biktima upang kamustahin at maialok ng tulong. | via Darylle Sarmiento, ABS-CBN News

Through Rizal's Eyes: Iloilo in 1896
"The white city ... floating on the sea"
A Traveler's First Glimpse of Iloilo
In the early days of August 1896, Dr. Jose Rizal arrived in Iloilo during his voyage from Dapitan to Manila. As his ship approached the harbor, he was captivated by the beauty of the city. From the sea, Iloilo appeared as a white city floating upon the water, its modern wharf standing in striking contrast to the rows of nipa houses along the shore.
Rizal also observed the many vessels anchored in the harbor, a testament to Iloilo's importance as one of the busiest commercial centers in the Philippines during the late nineteenth century. Across the channel, he noted the island of Guimaras, a favorite destination of prominent Ilonggo families.
"The entrance to Iloilo is very attractive. From a distance, the white city appears as though it were floating on the sea."
Exploring the City's Heart
Unable to immediately find a carriage upon landing, Rizal and his companions walked through the city. Along the way, a local pharmacist recognized him and assisted him in securing transportation.
Rizal then traveled through Escolta, the city's bustling commercial district. There, he purchased a traveling hat and observed the vibrant life of the streets. Merchants, travelers, and townspeople filled the area, reflecting Iloilo's growing prosperity and cosmopolitan character.
"I was fascinated by the activity along Escolta."
Journey to Molo
From downtown Iloilo, Rizal rode by carriage to Molo. He admired the beauty of the church, particularly its painted interior, which had been created by a young local artist. He was impressed by the talent and creativity displayed in the artwork.
Across from the church stood the grand residence of the Lacson family, symbolizing the wealth and influence of Iloilo's leading families during this period.
Rizal also noted a unique feature of local transportation: many vehicles, including carriages, were drawn by oxen rather than horses.
Rizal's Legacy in Iloilo
Jose Rizal's brief visit reminds us that Iloilo was not merely a stop along his journey. It was a thriving center of trade and culture whose people, places, and achievements earned the admiration of the nation's foremost patriot.
Iloilo Through Rizal's Eyes
Though his stay was brief, Rizal's observations provide a remarkable snapshot of Iloilo in 1896—a city of commerce, culture, artistic achievement, and progress. His travel notes preserve valuable details about everyday life, architecture, transportation, and society during the final years of Spanish colonial rule.

‘WALANG CONFIDENTIAL FUNDS SINA DATING VP BINAY AT ROBREDO’

Inihayag ni Prosecution witness Roderick Wamil na tanging si Vice Pres. Sara Duterte ang bise presidenteng nagkaroon ng confidential funds mula nang maupo siya bilang COA-ICFAO state auditor noong 2014.

Ayon kay Wamil, hindi niya na-audit sina dating bise presidente Jejomar Binay at Leni Robredo dahil wala silang appropriations para sa confidential funds.

ABS-CBN STATEMENT ON RECENT NEWS REPORTS

A news report published today makes several claims about ABS-CBN, including that the Company's management could be handed over to Mr. Manuel V. Pangilinan's group.

This is not accurate. There are no discussions with Mr. Ramon S. Ang or Mr. Pangilinan on turning over the management of ABS-CBN to MediaQuest or TV5. Our relationship with Mr. Pangilinan and his affiliated companies is limited to our existing content partnership with TV5.

The report also states that more than ₱10 billion has been infused into the Company since 2020. This is not correct. Lopez Inc. has invested less than ₱1 billion in ABS-CBN to date.

After a last-minute convert died, the Dutch Mystic Saint Lidwina (1380-1433) asked her guardian angel about the man's fate. The angel then led her in spirit to witness Purgatory — a vision so intense it left her physically shaken.

Here is what she saw, according to the account preserved by Fr. F.X. Schouppe, SJ:

Upon entering, Saint Lidwina asked in horror: “Is this, then, hell, my brother?”

The angel replied: “No, sister, but this part of purgatory is bordering upon hell.”

She beheld “an immense prison surrounded with walls of a prodigious height, the blackness of which, together with the monstrous stones, inspired her with horror.”

As she drew closer, she heard “a confused noise of lamenting voices, cries of fury, chains, instruments of torture, [and] violent blows which the executioners discharged upon their victims," the souls in purgatory.

The sound was so overwhelming that “all the tumult of the world, in tempest or battle, could bear no comparison to it.”

Aug 3, 2026 12:45:55 PM

She came upon a deep well covered with a lid

She came upon a deep well covered with a lid where the soul she sought was suffering.

When the cover of the well was lifted, “a cloud of flames, together with the most plaintive cries, came forth.” The soul appeared as “a spirit all on fire, resembling incandescent metal.”

The sight was so shocking that Saint Lidwina’s cincture (belt) tore in two from the intensity. Unable to bear it any longer, she awoke suddenly from her ecstasy.

Later, her charity moved her to offer her own sufferings and prayers for this soul.

Days afterward, the angel returned joyfully to tell her the soul had moved from that severe place into ordinary Purgatory — and through her continued intercession, he eventually entered the joy of Heaven.

This powerful private revelation dramatically illustrates the Church’s teaching on Purgatory and the great value of praying for the Holy Souls. It also speaks that dying in the friendship of God does not necessarily excuse us from penances we need to perform as a consequence of sin.

Did a statue of Our Lady of Fatima really close its eyes?

On August 2, 2024, worshippers gathered at the Basilica of St. John the Baptist in Canton, Ohio, when something unexpected appeared to happen.

The International Pilgrim Virgin Statue of Our Lady of Fatima—sculpted in 1947 according to the guidance of Sister Lucia—seemed to close and then reopen its eyes.

Ohio churchgoer Connie Liptak photographed the statue and said that, after looking at it throughout the morning, she suddenly noticed its eyelids appeared completely closed.
The photographs are now circulating again across Christian social media.

The Church has not declared the event miraculous. The parish priest responded cautiously, explaining that cameras, lighting or perspective can sometimes create unusual effects. Yet for those present, the experience became a powerful invitation to prayer.
Was it simply a photographic effect—or a gentle sign that touched the hearts of those who witnessed it?

Was it simply a photographic effect—or a gentle sign that touched the hearts of those who witnessed it?

Whatever the explanation, Mary's mission always remains the same: to lead us closer to her Son, Jesus Christ.
What do you see when you look at the images?

GINAMIT SA GAMOT?

Ginamit umano ang bahagi ng confidential funds ni Vice President Sara Duterte sa medical at food aid na umabot sa P40 milyon, gayundin sa pagbabayad ng incentives at travel expenses na may kaugnayan sa confidential operations na umabot sa P10 milyon, ayon kay dating COA-ICFAO State Auditor Roderick Wami.

Aniya, ang mga naturang gastusin ay hindi kabilang sa mga pinahihintulutang paggagamitan ng confidential funds sa ilalim ng umiiral na mga patakaran. #VPonTrial

GINASTOS SA GAMOT?

Ginamit umano sa medical at food aid ang aabot sa P40 milyong confidential funds ng Office of the Vice President (OVP) noong 2022, ayon kay dating COA-ICFAO state auditor at Prosecution witness Roderick Wamil.

Giit pa niya, gumastos din umano ng P10 milyong confidential funds ang OVP para sa pagbabayad ng incentives at travel expenses na may kinalaman sa confidential operations.

Parehong hindi kasama sa mga maaaring paggamitan ng confidential funds ang mga ito.

CONFIDENTIAL FUNDS FOR MEDICAL, FOOD AID? P10M FOR TRAVEL?

Former #COA-ICFAO State Auditor Roderick Wamil testified that P40 million in confidential funds of Vice President Sara Duterte was allegedly used for medical and food assistance, while another P10 million was spent on incentives and travel expenses related to confidential operations.

Wamil said these expenditures are not among the authorized uses of confidential funds under existing government rules.

NEWS UPDATE: Ayon sa testimonya ni dating Commission on Audit–Intelligence and Confidential Funds Audit Office (COA-ICFAO) State Auditor Roderick Wamil, ginamit umano ang bahagi ng confidential funds ni Vice President Sara Duterte para sa medical at food aid na umabot sa ₱40 milyon, gayundin sa pagbabayad ng incentives at travel expenses na may kaugnayan umano sa confidential operations na nagkakahalaga ng ₱10 milyon.

Sinabi ni Wamil na ang mga naturang gastusin ay hindi kabilang sa mga pinahihintulutang paggagamitan ng confidential funds sa ilalim ng umiiral na mga patakaran.

ROMEO BEHIND BARS
After confounding the combined efforts of the Philippine National Police, the National Bureau of Investigation, and even the Presidential Anti-Crime Commission, Zamboanga del Norte Congressman Romeo Jalosjos was captured at 5:20 pm in Bataan on January 17, 1997. It literally took "all the king's men" to end the 22-day wild goose chase: 6 helicopters, about 100 men from the special reaction unit of the Presidential Security Group and PSG chief Gen. Jose Calimlim, to be more specific. The Makati regional trial court issued warrants for his arrest on two charges of statutory rape and 12 charges of acts of lasciviousness on December 27, 1996.
Disowned by Lakas and the NPC, Congressman Romeo Jalosjos or prisoner 97664 awaits judgment at the Makati City Jail. He faces the possibility of joining several hundred rapists, murderers, bank robbers and thugs on death row for statutory rape, and a P22-million civil suit filed by the 11-year-old girl he allegedly raped on or around June 16 and 20, 1996.
There is only one victim in this case, it's me.
— Rep. Romeo Jalosjos
Can I forgive him? Perhaps when he's hanged.

Tobey Maguire Set To Star In The Columbia Pictures/Marvel Entertainment Action-Adventure ``Spider-Man''
CULVER CITY, Calif.--(ENTERTAINMENT WIRE)--July 31, 2000--Tobey Maguire is set to star as one of the most popular comic book icons of all time in Columbia Pictures' live-action feature film adaptation ``Spider-Man,'' studio Chairman Amy Pascal announced today.
The 25-year-old actor most recently earned acclaim for his roles in Curtis Hanson's ``Wonder Boys,'' in which he starred opposite Michael Douglas, and in 2000 Best Picture Oscar® nominee ``The Cider House Rules,'' directed by Lasse Hallstrom.
``Spider-Man'' is helmed by Sam Raimi (``The Gift,'' ``For Love of the Game,'' ``A Simple Plan''), a self-confessed fanatic of the cagey, web-spinning hero. Laura Ziskin (``As Good As it Gets,'' ``To Die For,'' ``Pretty Woman'') and Oscar® nominee Ian Bryce (``Almost Famous,'' ``Saving Private Ryan,'' ``Twister'') produce. Avi Arad (``X-Men,'' ``Blade'') serves as executive producer.
``I am delighted with this choice,'' said Pascal. ``Tobey's acting ability and incredible screen presence and Sam's creative vision are a powerful combination to bring `Spider-Man' to the screen.''
``As an actor, Tobey is a director's dream,'' said Raimi. ``He has all the qualities we were looking for in our Peter Parker.''
Maguire's other film credits include Ang Lee's ``Ride With the Devil'' and ``The Ice Storm,'' Gary Ross' ``Pleasantville'' and Woody Allen's ``Deconstructing Harry.''

HAPDI AT KIROT ANG DULOT! ⚠️ 😱🌿

Kilalanin ang 4 na madalas magdulot ng matinding hapdi at kirot sa bukid at gubat!

Kapag napadpad ka sa bukid, gubat, o masukal na lugar, hindi lang lamok at malalim na putik ang dapat mong bantayan. May apat na maaaring magdulot ng matinding hapdi, kirot, pangangati, at iritasyon sa balat sa simpleng pagkakadikit lamang. Kabilang dito ang Alingatong, Ligas, Lipang-Aso, at ang Tigi o Stinging Slug Caterpillar, mga halamang at insektong dapat mong makilala.

Ang kaalaman ang unang depensa laban sa mga ito. Kapag alam mo kung ano ang dapat bantayan, mas magiging handa ka at mas mababawasan ang posibilidad na makaranas ng masakit na hapdi at kirot. Ibahagi ang post na ito upang mas marami ang maging maingat sa tuwing pupunta sa bukid o gubat.

Peter Parker lost MJ, but he might not stay alone for long. If the ending of Spider Man Brand New Day really introduces Sadie Sink as Jean Grey, Marvel may have just set up one of the biggest new dynamics in superhero movies. The final moments have fans imagining a fresh chapter for Spider Man after the heartbreaking ending of No Way Home. From losing the love of his life to possibly meeting one of Marvel's most powerful mutants, Peter's journey could be taking an unexpected turn. Do you think Jean Grey is Peter Parker's next great love story, or should MJ always be endgame?

Kris Aquino remembers her mother, former President Cory Aquino, on her death anniversary with a heartfelt tribute. #KapamilyaQuotes

ABS-CBN STUDIOS
17 years ago at 2 AM, we lost our mom. We accepted her death intellectually because we witnessed how much she suffered. But can someone you cherished ever be forgotten? Until now when I watch families in conflict, I say, "Sorry mom, you never deserved any of that."
Mom, please continue looking after your baby? Because I have 6'3 & 6'2 giant babies who pray everyday and believe that God does answer prayers.

Meron akong naalala na interstitial na inere sa ABS-CBN bilang pagpugay sa yumaong aktor na si Fernando Poe Jr. noong 2004. I think lost media na ito, and this is my recreation pero hindi ito accurate (i.e. FPJ is not smiling in the interstitial).
Sa interstitial na ito, I forgot some of it pero I remembered that there is no voice-over but only accompanied by sad piano music playing. The interstitial ends with FPJ looking at the screen in a black background.

it's honestly sad seeing people comment on Ariana Grande's body as if this is something new. she's been naturally petite since the beginning of her career, yet people have spent years picking apart her appearance and making assumptions about her health.

none of us know her personally or truly know what she's been through. she's already carried so much over the years, from the trauma of Manchester to finally finding the strength to tour again for the first time since 2019. on top of that, women in the industry are constantly judged by impossible beauty standards and scrutinized no matter what they look like.

more than anything, i just hope we keep showing Ariana the love she deserves. let's make these last tour dates as special as we can, keep supporting petal, and remind her that there's still so much love waiting for her whenever she's ready to come back.

Alam mo ba na ang Panandaan, Tatsihaan, at Tayahan ang mga katutubong katumbas ng Algebra, Trigonometry, at Calculus?

Ang mga ito ay tinatawag na neolohismo na nilikha noong 1969 para sa larangan ng Sipnayan (Mathematics).

Bagama't bihira na silang gamitin ngayon dahil sa dinamikong kalikasan ng wika, mas naging mabilis at praktikal para sa ating lipunan ang paggamit ng mga mas pamilyar na hiram na salita, patunay pa rin ang mga likhang-salitang ito sa yaman at makulay na kasaysayan ng wikang Filipino!

Veteran showbiz columnist Jobert Sucaldito suffered cardiac arrest, according to his son Carlo Brian. In a post on Facebook, Carlo said that after the cardiac arrest, his father then collapsed, fell, and hit his head.

"Nanay Jobert passed away yesterday due to cardiac arrest (heart failure), as explained by the doctors at the Philippine Heart Center. During the incident, he suddenly collapsed and fell, causing him to hit his head, which resulted in the bruise on his forehead and the cut on his lips."

He added Jobert has not been in good shape the past weeks and they have spent quality time together.

"The last two weeks we spent together became some of the most unforgettable moments of my life. We went on road trips, visited places he enjoyed, shared meals, laughed together, and simply spent quality father-and-son time. Looking back, we noticed that his body was slowly getting weaker, but he never complained and never wanted anyone to worry. He always made us believe that he was okay, even when he probably wasn't." ’NAPAMAHAL NA SA AMIN ‘TONG LUPA NAMIN. HANGGA’T KAYA NAMIN, HINDI KAMI PWEDENG ITABOY DITO’

Ganito ang inihayag ni Tatay Joey Ventura, isang magsasaka sa Brgy. Santa Lucia sa Capas, Tarlac, nang ibahagi niya sa programa na “Kapuso Mo, Jessica Soho” na mayroon umanong nag-aalok na bumili ng kanilang lupa para sa itatayong Pax Silica project.

Ayon kay Tatay Joey, inaalok na bilhin ang kanilang sakahan sa halagang P30 per square meter, o P300,000 per hectare.

“May alok daw po ba sila na bibilhin ’yung lupa ninyo?” tanong ni Jessica Soho kay Tatay Joey.

“Ang ano po nila, bibilhin. P300,000 per hectare, ” wika ni Tatay Joey.

“Ilan ho bang hectares ’yung lupa ninyo, tay?” tanong ni Jessica.

“Mahigit dalawa po,” sagot ni Tatay Joey.

What is Ozempic?

Ozempic is a prescription medication used primarily to treat type 2 diabetes, though it is also widely known for aiding in weight loss. It contains the active ingredient **semaglutide**, which belongs to a class of drugs called GLP-1 receptor agonists.

How It Works

- **Mimics Natural Hormones:** It mimics GLP-1, a hormone your body produces after eating, which signals the brain that you are full.
- **Lowers Blood Sugar:** It stimulates the pancreas to release more insulin when blood sugar levels are high.
- **Slowing Digestion:** It slows down stomach emptying, helping you feel satisfied longer and reducing appetite.

Primary Uses

- **Type 2 Diabetes:** Approved by the FDA to help improve blood sugar control in adults with type 2 diabetes.
- **Cardiovascular Risk Reduction:** Helps reduce the risk of major cardiovascular events (like heart attack or stroke) in adults with type 2 diabetes and known heart disease.
- **Weight Management:** While Ozempic itself is FDA-approved specifically for diabetes, its higher-dose counterpart (**Wegovy**) is FDA-approved for weight loss. Doctors sometimes prescribe Ozempic "off-lab... management.

ATTY. LORNA KAPUNAN

FORMER STATE AUDITOR OF COA-ICFAO RODERICK WAMIL

ATTY. LORNA KAPUNAN: Bakit mo sinasabi na walang supporting documents 'yung tables and chairs na binili, itong desktop, itong medicine, itong supplies? Anong kailangan mo na supporting document?

FORMER STATE AUDITOR OF COA-ICFAO RODERICK WAMIL: Since ang involved po ay purchases, then it should have been supported with sales and invoices and official receipts instead of acknowledgment receipt lang po.

KAPUNAN: Walang kasamang mga resibo?

WAMIL: Yes, ma'am.

KAPUNAN: Hindi ba confidential 'yan kung saang drugstore ka bumili?

WAMIL: Hindi naman po siguro confidential kung ang pagbibilhan mo ay drugstore. **Ang confidential po mismo 'yung paggagamitan, hindi 'yung pagbibilhan.**

On June 18, 2011, Amy Winehouse performed what would be the last concert of her life in Belgrade, Serbia. The performance was the first show of a planned 12-date European tour and was attended by around 20,000 fans who had eagerly waited to see the famous singer perform.

However, the concert did not go as expected. Amy arrived nearly an hour late, and it soon became clear that she was struggling on stage. During the nearly 90-minute performance, she mumbled through parts of several songs, sang only a few strained notes, and often appeared confused. At times, she stumbled across the stage and even threw her microphone onto the floor. She also left the stage several times while her band continued playing without her.

Many people in the audience were disappointed. Some had paid expensive ticket prices despite living in a country where average wages were low. As the show continued, boos from the crowd grew louder.

At one point, Amy appeared deeply emotional. She hugged herself and tried to hold back tears as the crowd continued booing. The performance was widely criticized, with Serbian media describing it as a "scandal" and "disaster."

Following the concert, the rest of Amy Winehouse's European tour was canceled.

Just over a month later, on July 23, 2011, Amy was found lifeless at her home in London. She was only 27 years old. Her demise was later ruled to have been caused by accidental alcohol poisoning.

The Belgrade concert became the final public performance of her remarkable career and remains a heartbreaking memory for many fans, who continue to remember her extraordinary talent and the struggles she faced.

At one point, Amy appeared deeply emotional. She hugged herself and tried to hold back tears as the crowd continued booing. The performance was widely criticized, with Serbian media describing it as a "scandal" and a "disaster."
